BOOKS TURN-OVER PROGRAM

“Be alert to give service. What count most in life is what we do to others”

It was a very hot sunny day. So instead in the school stage, turn-over was done in the classroom last February 7, 2007 at 3:00 PM in the afternoon. Barangay Captain named Hon. Mario Sabando was there to welcome and assist the signing of Acknowledgment Receipt by the school's OIC named Ma. Liwayway N. Lumanta together with the PTCA President named Eduardo Bengalan. Barangay Councilor, Hon. Marlon Bengalan was also there to witness and give his closing remark.

Gil Gaudalquiver, a new volunteer, was the one who reads the transmittal letter and shared some encouraging words to students and teachers. Signing of Acknowledgment Receipt followed thereafter.

It was a joyful hot afternoon upon seeing students browsing the books. Not only the students but also the teachers appreciated the donated books. So do with the invited guests who witness the event. The books contents were not only colorful but also informative and of great use to the students. Different impressions heard from visitors, teachers and most of all from students.
