SUBJECT	ACTIVITY REPORT ON THE DELIVERY OF BOOKS TO TALOMO HIGH SCHOOL
DATE	August 17, 2005
LOCATION	Barangay Talomo , Davao City

Kinasang'an Foundation turned over the box of textbook sent by Move on Philippines to the Talomo National High School this today August 17,2005 at 2:00 pm . The books were unloaded from the box due to the narrow pathway from the road going to the school manager's (Principal) office located at the second floor of the school building. The high school department were merely staying in the classrooms spared by the elementary department , not having a building of their own.

The turn over ceremony took place at the lobby cum faculty lounge. Having no stage of their own, it was done through a microphone in the lobby and was heard by the students via a speaker outside of the school manager's office facing the classrooms. Jubilant shouts were heard from the students with a tumultuous applause after the announcement that certain books were donated to them and a very piercing silence dominated while the letter from Move-On Philippines was read over the microphone. An inspirational message was given by Atty. Lourdes N. Vicente , Executive Director of Kinasang'an Foundation, Inc. encouraging the children to make good use of the donated books and thereafter the School Manager made an acceptance speech over the public address system.

A newsletter will later be printed including the book donation and a copy of which will be furnished to Move-On Philippines movement. .

School Manager Segundina Ramos, requested the possibility of assistance for the purchase of a four hectare land in the amount of twenty million pesos where the Talomo National High School could be constructed since the city government does not have any funds to purchase the same and they now have very limited space in their present location.

Group left the premises at more or less 4:00. p.m. Will bring the other box to Gov. Duterte High School on Friday afternoon.
